IRS & DOL Audits: Are you prepared for scrutiny?

Prerequisites: None
Schedule: Two Hour Session

The IRS and the U.S Department of Labor have launched one of their biggest initiatives in more than 25 years, which can result in significant liability for employers. The targeted audience is employers and whether or not they have employees misclassified as independent contractors. Employment law experts from Moore & Van Allen will provide an overview of these agency initiatives and how best to protect your organization.
