

OSHA 30-Hour for General Industry

Prerequisites: None
Schedule: Seven Sessions(see calendar)

Course Objectives

The OSHA Outreach Training Program for General Industry provides training for workers and employers on the recognition, avoidance, abatement, and prevention of safety and health hazards in workplaces in general industry (general industry standards typically do *not* apply to construction, mining, longshoring or shipbuilding.).

This course uses as its foundation the OSHA 10-hour course with 20 additional hours of instruction scheduled. Participants who complete all 30 hours will receive a wallet card from the OSHA Training Institute.

Who should attend?

This class is most appropriate for supervisors or workers with some safety responsibility.

****NOTE:** Each student is required to bring a current copy of NC OSH Standards for General Industry to the course. A copy of the standards can be purchased for \$37.00 from the NC Dept. of Labor using a credit card: 1-800-NC-LABOR (1-800-625-2267) or visit www.ncdol.com/publications.
