

# Isn't it time you got certified?

## PHR/SPHR Accreditation Study Course

More employers are seeking candidates with certification credentials when they are filling human resources openings or considering candidates for promotion. This course is designed to help prepare individuals for the Professional in Human Resources (PHR) and Senior Professional in Human Resources (SPHR) examinations offered by the Human Resource Certification Institute.

### Benefits Include:

- **Longest-running study course in the region –** 875+ students taught
- **Excellent, consistent pass rates (20+ years):** 87%PHR/84%SPHR (vs. national pass rate 60%/53%)
- **Comprehensive materials**
- **Access to on-line practice exams**
- **Instructor team of experts/Accessible full-time staff**
- **Study and test-taking tips**
- **Free refresher course (call for details)**

### What are our students saying about this course?

"I could not have passed the exam without this course."

"The course content definitely prepared me well for the exam questions."

"This class was a thorough overview of all aspects of human resources, even if I hadn't taken the test."

"I passed the test and think it was a direct result of the course and material provided."
